C. of C. Maps Ambitious Program

Back Civic, Commercial Activities

A rejuvenated Chamber of Commerce this week announced an ambitious program of civic and community activity through 1961 and beyond designed to spark activity in Antioch and surrounding area.

The program was disclosed Monday at the CC's monthly meeting following some tips on organization by Vance Rayburn, secretary of the Zion Chamber.

Under Stanley Toton, CC president, and Don Hood, chairman of the planning committee, the Antioch group has formulated a three-pronged program embracing plans for immediate future, short term and long term.

For the immediate future, the Chamber has its sights set on: participation in Civil War Centennial in June, distribution of a brochure, establishment of an information center, membership drive, review of dues structure, improved highway signs and markers, organization of committees to assist commercial, industrial, cultural and health welfare activities, and formation of steering committee.

Short term plans are concentrated in promoting a junior achievement program.

Long term planning embraces working with village and school officials to mesh Chamber activity with village and school activities.

Members of the planning committee include Howard Shepard, Preston Reckers, Elmer Eberman and Ray Lorenz. Chamber officers are: Elmer Eberman, vice president; William Goewey, secretary; Elmer Baethke, treasurer; John W. Horan, executive secretary.

The board of directors includes Toton, Eberman, Goewey, Baethke, Mrs. Richard Nuytens, Don L. Hood, L. A. Ryan, Bette Meyer and George Wagner.

Slate Student Course for Care Of Handicapped

Special classes for high school students interested in caring for cerebral palsied and other handicapped children will be conducted in four consecutive Saturday mornings at Libertyville High School, beginning April 15.

High school students interested in working with handicapped children or interested in professional opportunities in this field will profit from this course, according to L. D. Vuilleumot, director of the Special Education District of Lake County. Courses will be held from 9-11 a.m. as follows:

April 15—Welcome and introduction. Psychological Problems of the Handicapped.

April 22—Caring for the Handicapped Child. Communicating with the Handicapped Child.

April 29—Play Activities for the Handicapped Child. Teaching the Handicapped Child.

May 6—See and Do Session—practical workshop.

All instruction will be by specialists in their fields. Those of high school age wishing to apply may write L. D. Vuilleumot, Highland School, Libertyville.

SATURDAY NIGHT DANCE

The Community Club of Channel Lake will hold a dance Saturday night at the American Legion Hall, Antioch. Music will be by the Rhythm Kings. The dance is open to the public.

New Pastor Guides Growth Of Church Here

The new pastor at the Antioch Evangelical Free Church, the Rev. Carroll D. Lindman, has reported a steadily increasing attendance at Sunday School and worship services during his first months here.

Church membership now totals 20, including eight who were received in February, Pastor Lindman reported. Attendance at Sunday school went from 45 in January to 55 in March, at morning worship from 43 in January to 58 in March, and at evening service from 28 in January to 40 in March.

Other advances since the first of the year include the formation of the Free Church Youth Fellowship, the Women's Missionary Fellowship, a church choir, a publication for the church by the young people called "The Witness," and the reactivation of the building committee.

The congregation now meets at Emmons School, but Pastor Lindman said that because of industrial and other developments, the group is considering its own church structure this summer. By July 1, the church will have purchased about 1 1/2 acres of land on a through street at the west edge of town. The building committee is working on various proposals before recommending a course of action to the congregation.

Pastor Lindman is a graduate of the Fuller Theological Seminary, Pasadena, Calif.; the Moody Bible Institute, Chicago, and Iowa State College. He spent three years working among foreign students developing what is now known as International Students, Inc., of Washington, D. C.

He replaced the Rev. Herbert Cottrell as pastor.

Grass Fires Keep Fire Crews Busy

Mild weather earlier this week brought a new peak of trash burning and with it the usual quota of grass fires.

The Antioch Fire Department was called out for three fires Monday: one at the rear of the James McMillen residence, a second near the Oakland school and a third at Rte. 173 off Spafford.

It is against the law in Antioch to light a trash fire without a permit from the fire chief, it was announced.

LEGIONNAIRE

Edward H. Jahneke, Antioch, attended spring meetings of the American Legion department last weekend in Bloomington. Jahneke is a member of the Gurnee post and sergeant-at-arms, 19th District, American Legion.

Seek Bids on Post Office For Village

Senator Paul H. Douglas said today he has been advised by the Post Office Department's Regional office in Chicago that the Department is now asking for bids to build and lease to the Department a new post office for Antioch. Closing date for bids is June 2, 1961.

The proposed new building will replace the present post office and will provide expanded service for the community. Specifications call for a structure containing 4,386 square feet with an outside loading platform and adequate space for parking and truck maneuvering.

The Department holds an option on a 19,536 square foot lot located at the North side of Orchard Street directly opposite Broadway. The successful bidder will purchase this lot, construct a building to Departmental specifications, and lease it to the Department on a long term lease basis.

Bids should be submitted to R. E. Matthews, Real Estate Officer, Room 1153, Main Post Office, Chicago 100, who will supply information with regard to bidding forms, building specifications, lease provisions, etc.

No Opposition in District 117 Race

William Brook and Roger Prosser are unopposed for election to District 117 school board, Saturday, April 8. Polling places, open from 12 noon to 7 p.m., will be: Precinct 1, Antioch Township High School; Precinct 2, Lake Villa Grade School; Precinct 3, B. J. Hooper School, Lindenhurst.

Other members of the board (not up for election) are Robert Denman, president, Milburn C. Cain, Dr. Richard Ripley, Lester Osmond, Jr., and Ruth Seyfarth, secretary.

Next meeting of the board will be April 19, when plans for the new high school addition will be discussed.

House Numbering Plan Approved

LAKE VILLA—House numbers are now required of local residents as the result of action taken here Monday night by the Village Board. The Board ruled that each homeowner has the responsibility of determining his number from the village clerk and posting this number on his property. The move is designed to ease mail delivery and to simplify a fire call system.

The board passed a resolution commending retiring trustee Elmer Sheehan for his service. The local police force has designated April 9-12 as "lock your car door" campaign when car owners will be reminded to lock cars as protection against theft.

ATHS Senior Class To Present 'Rebecca'

"Rebecca," adapted from the classic novel of the same name by Daphne du Maurier, will be presented by the senior class of Antioch Township High School Friday and Saturday, under direction of James Corrigan.

Curtain time will be 8:15 p.m. both nights. Tickets may be procured from any member of the senior class and at the door.

ZONING STUDIED

Members of the Village Planning Committee met last night with representatives of Kincaid Associates, community planners, to discuss planning and zoning in Antioch. The committee is headed by Trustee Edmund F. Vos.

Plan \$250M Apt. Complex On North Side

Ground will be broken next week for a quarter-million dollar luxury apartment complex on Antioch's northside, it was revealed here today.

In disclosing plans for the Coral Apartments, John Dupre, sheet metal contractor and developer, announced that occupancy is scheduled for next August.

Site for the 12-unit apartment structure lies on the west side of North Main, across from the swimming pool, library and Scout House. Plans call for constructing the sprawling one-story basementless structure on the site 371 feet from Main street west by 240 feet north and south. The structure will face south, with the east elevation facing Main.

The apartment structure will be 320 feet long by 40' wide, located on the north section of the site, with the area in front planned for play, recreation and parking.

Basic structure will be masonry, combining brick and block for rear and end walls, with the front elevation largely glass. Building frame will be masonry, supporting a roof of acoustic tile on interiors, and metal panel and built-up roof to the weather.

The 12 apartment units will extend east to west, flanking a center utility area. Apartments will consist of kitchen, dining-living room, bath and two bedrooms. Each will have approximately 1,000 square feet of living space. Interiors will feature automatic vacuum cleaner, fire alarm, central heating and air conditioning.

Janitor, maid, baby sitter and services of a registered nurse will be available to tenants, it was announced. Proposed rentals were not revealed.

Recreational area will consist of a garden plot, play area, croquet court, tennis, volleyball and skating areas. Jones & Duncan, Highland Park, are the architects. Superintendent of construction will be Vincent Dupre.

High School Music Groups to Compete

Members of Antioch High School's band and music groups will compete in the district solo and ensemble contest April 15 at Barrington High School.

Under band director Joseph Rush and vocal director Ken Smouse, local entries will consist of 20 instrumental soloists, 11 instrumental ensembles, three vocal soloists and one vocal ensemble.

The competition, open to all Class A schools in northern Illinois, will last all day. Superior winners will continue on to the statewide competition May 6 in Villa Park.

MABEL'S BACK IN TOWN

Mabel Sayles, sprightly linotype operator for The Antioch News for more than 30 years, is back at her old spot after an absence of two months. Miss Sayles was injured last January in a car accident when she was returning from Woodstock to her farm home near Richmond.

GOP Schmidt, Stanton Top District Race

Republicans, still in the saddle in the Antioch area, romped home easily in Tuesday's elections by sweeping all offices. Republicans were backing the Peoples Party.

In so doing, they served notice that the heralded influx of Democrats moving out from metropolitan Chicago has not yet made a dent in this area. And in losing, the Democrats have received a not too gentle hint that if they want to keep the two-party system alive here they had better get on the stick. The Democrats were behind the Progressive Party.

Although the familiar two-party system is supposedly absent by tradition in township elections, that fact is apparent in name only.

Incumbent Myrtle Biel and W. Richard Whitacre, seeking re-election to the library board, were the strongest vote getters in the Peoples Party, gaining 1,021 and 993, respectively. Incumbent Llewellyn Van Patten, Jr., stepped out to lead Peoples Party candidates for township office by receiving 985 votes for town clerk. Close behind him were George O. Hawkins 960, John P. Miller 939, and Irving W. Carey 915, elected auditors.

Two Republican-backed candidates running for the post of assessor split the vote and cut down the three-to-one margin generally shared by Peoples Party candidates over those of the Progressive Party. G. Dudley Kennedy received 718 votes to win the assessorship as a party candidate, and was paced by Mrs. Helen Burke, GOP leader, who received 516 as an independent.

In district races, the three Republican candidates won hands down. John "Bud" Stanton was elected justice of the peace and Carl Schmidt swapped two opponents for constable.

With 219 of 241 precincts reporting as of Wednesday morning, GOP candidate for judge of circuit court Thomas J. Moran held a handy 23,746-14,810 lead over Philip W. Yager.

See Speedy Recovery For Fall Victim, 95

Mrs. Emma Young, 95, is recovering at Victory Memorial Hospital from a broken hip suffered from a fall in her home in Felter's Subd. the evening of March 28.

Attendants today reported above-average recovery and revealed that Mrs. Young is training to get out of bed and into a wheel-chair. She expects to return home before the end of the month.

Area Scouters Ready Plans For Annual Showando Rally

The North Shore Area Boy Scout Council will present a Showando Rally April 22 at Camp Dan Beard.

Adults in the Council are invited to come, participate in, and see Scouting in action.

Showando is a day of Boy Scout activity built around a patrol of adults from each pack, troop or post.

Some of the Showando Rally events are ropemaking, knot tying, axmanship, compass, trail signs,

nature trail, trail tent pitching, fire by flint and steel, silent signals, map contours, fire building and many others.

Each troop is asked to make up a patrol of leaders, dads and troop committeemen from their own troop, and to join the Showando Rally. They will receive instruction in 20 basic skills, a competitive inter-patrol rally, some of the best program techniques and gimmicks in the Council. A cooking demonstration covering many different techniques is scheduled.

SCOUT LEADERS brush up on camping lore as they prepare for Camp Showando rally at Camp Dan Beard, April 22. Notices have gone out and local Boy Scouts are planning sessions. Shown here are leaders from the Northwest District (left to right) Bud Trayner, Mundelein, Ray Atwood and Bill Young, both of Channel Lake Troop.

Motor Firm to Recall 4,000

KENOSHA, Wis.—American Motors Corp. announced that callbacks of some 4,000 laid-off employees at the Kenosha and Milwaukee plants will begin late next week.

President George Romney said the firm's revised production schedule for the second quarter will boost Rambler production 46 percent above the first quarter.

The two plants laid off 4,100 employees after a one-week shutdown Feb. 6-13. Those figures included 2,500 at Kenosha and 1,600 at Milwaukee.

The callbacks are scheduled between next Saturday, April 15, and May 15.

"The increase is based on the sharp upward turn in Rambler sales during the past few weeks and strongly stepped-up dealer orders," Romney said.

"The rise began during the last period of February and has continued to improve since then," he continued. "In the first 20 days of March nearly as many Ramblers were sold as in all of February."

Romney said Rambler output is now running at about 1,370 a day and that this will be stepped up to 1,800 units a day when the additional employees have been recalled.

Sequoit High Nine Opens at Zion April 4

Leon Cuts Squad to 19; 2 Lettermen

Antioch High's baseball squad moved outdoors this week with the cooperation of the weatherman and turned on steam in an effort to get in shape for their practice opener Tuesday against Zion-Benton at Zion.

With the conference opener but one week hence, when the Sequoits travel to Lake Forest April 7, Coach Larry Leon is still impatient for his first real look at what his squad can do. Inclement weather had confined drills to the close quarters of the gym, shared with the track squad, too cramped for his charges to do little more than limber up throwing arms and swing a bat or two.

Coach Larry Leon has reduced his squad to 19 from the 27 original tryouts. Of the four returning lettermen, Dudley Sheehan and George Hogan were dropped for training infractions, leaving lettermen Joe Pleviak and Jack Thompson as the only veterans from the 1959 squad.

In an effort to reach playing form early, Coach Leon has scheduled daily drills through the Easter holidays.

Although short on experience, this year's squad will have ambition, attitude and eagerness going for them, according to Leon. He foresees a rough season, but predicts that a few breaks may allow the squad to better the 5-7 record of last year.

Four teams will probably battle it out for conference honors, according to Leon. Grayslake, last year's winner, looms tough again, and should be challenged by Grant, Elmhurst and Warren. He gives the nod to Grayslake, bolstered by a strong squad built around returning lettermen.

Pitching will be the key to success of this year's squad with Deryl Denman and his junk ball, John Hedburg, Joe Wolf, and Bill Ozga sharing the burden.

Other squad members include: catchers - Jim Brownlee and Jack Thompson; infielders - John Loeper, Joe Pleviak, Joe Ennis, Ozga (utility), Roger and Don Blackman; outfielders - Chuck Mavell, Mike Grealia, Dick Porter, Ron Gable, Mike Horn, Phil Fabry and Toby Henry.

Chuck Schuth, second baseman for last year's squad, is a Chicago transferee, and has used up his semester eligibility. His loss will be felt, as will that of Pyles, Gudgeon, Eberman, Wold, Nielsen, Wiegell and Stepien, mainstays of the 1959 squad.

Barb Casella's 148 Average High For U. S. Bantam

Barbara Casella, 12, is the nation's top Bantam Girls Div. Bowler, it was announced this week.

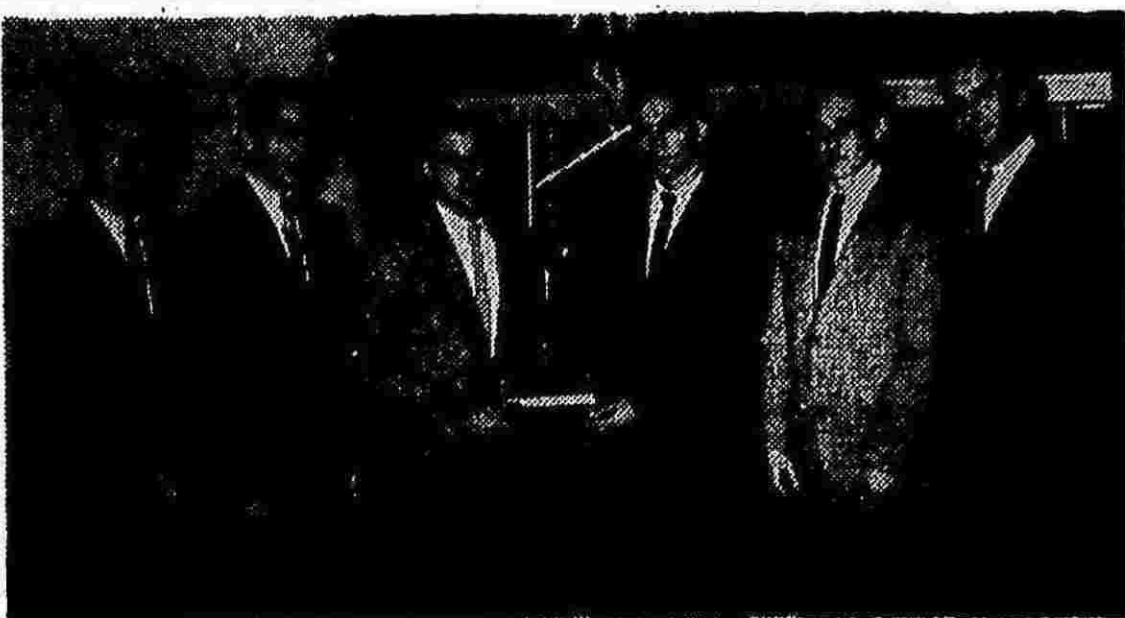

Barbara, daughter of Mr. and Mrs. Joseph Casella, P. O. Box 273, has a 148 average, the highest national average in this classification, and will receive the American Junior Bowling Congress Highest Average plaque at the league's annual bowling banquet in May.

In other Bantam activities last week, John Jedele rolled an 187 game, which entitles him to an emblem, and Miss Casella had a high game of 163.

Conservation Club Fights Fund Diversion

By Mrs. Pearl Kapell
Bills in the state legislature affecting the Illinois Conservation Department, and needed legislation, were the main topics of discussion at the meeting of the Northern Illinois Conservation Club last week at Channel Lake School.

Members voted to promote the defeat of House Bill 314, now before the executive committee of the House, which would make it possible for the money derived from the sale of hunting and fishing licenses to go into the state general fund.

These funds have been used to support work of the Department. Petitions opposing the passage of the bill are being circulated by the club.

Petitions are also being circulated by members of the club in support of a movement started by the Izaak Walton League requesting legislation to remove the Conservation Department from political control. It was suggested that a six-man bipartisan board be formed to direct the work of the Department of Conservation.

Club members were told there is agitation to abolish the fishing areas in the Chain O' Lakes. The fishing areas, marked off by buoys, have been "out of bounds" to water skiers and speed boats. The club voted to oppose any action to abolish fishing areas.

Many Wisconsin resort owners are asking that certain of their lakes be closed to the use of power boats. Wisconsin authorities are now considering such a move.

Safely-Contest Open To School Editors

High school editors in Illinois, for the second consecutive year, are competing in a contest to determine the author of the best traffic safety article printed in a school publication.

The contest is sponsored by the Journalism School of Northern Illinois University, in co-operation with the Illinois Editor and Publisher Highway Traffic Safety Seminar.

Entries will be judged by Dr. Leslie A. Holmes, president of Northern Illinois University; Dr. Donald A. Grubb, director of NIU's School of Journalism; and Robert F. Green-

New Pastor Guides Growth Of Church Here

Rev. Lindman

The new pastor at the Antioch Evangelical Free Church, the Rev. Carroll D. Lindman, has reported a steadily increasing attendance at Sunday School and worship services during his first months here.

Church membership now totals 20, including eight who were received in February, Pastor Lindman reported. Attendance at Sunday school went from 45 in January to 55 in March, at morning worship from 43 in January to 58 in March, and at evening service from 28 in January to 40 in March.

Other advances since the first of the year include the formation of the Free Church Youth Fellowship, the Women's Missionary Fellowship, a church choir, a publication for the church by the young people called "The Witness," and the reactivation of the building committee.

The congregation now meets at Emmons School, but Pastor Lindman said that because of industrial and other developments, the group is considering its own church structure this summer. By July 1, the church will have purchased about 1 1/2 acres of land on a through street at the west edge of town. The building committee is working on various proposals before recommending a course of action to the congregation.

Pastor Lindman is a graduate of the Fuller Theological Seminary, Pasadena, Calif.; the Moody Bible Institute, Chicago, and Iowa State College. He spent three years working among foreign students developing what is now known as International Students, Inc., of Washington, D. C.

He replaced the Rev. Herbert Cottrell as pastor.

Grass Fires Keep Fire Crews Busy

Mild weather earlier this week brought a new peak of trash burning and with it the usual quota of grass fires.

The Antioch Fire Department was called out for three fires Monday: one at the rear of the James McMillen residence, a second near the Oakland school and a third at Rte. 173 off Spafford.

It is against the law in Antioch to light a trash fire without a permit from the fire chief, it was announced.

LEGIONNAIRE

Edward H. Jahneke, Antioch, attended spring meetings of the American Legion department last weekend in Bloomington. Jahneke is a member of the Gurnee post and sergeant-at-arms, 19th District, American Legion.

Seek Bids on Post Office For Village

Senator Paul H. Douglas said today he has been advised by the Post Office Department's Regional office in Chicago that the Department is now asking for bids to build and lease to the Department a new post office for Antioch.

The proposed new building will replace the present post office and will provide expanded service for the community. Specifications call for a structure containing 4,380 square feet with an outside loading platform and adequate space for parking and truck maneuvering.

The Department holds an option on a 19,538 square foot lot located at the North side of Orchard Street directly opposite Broadway. The successful bidder will purchase this lot, construct a building to Departmental specifications, and lease it to the Department on a long term lease basis.

Bids should be submitted to R. E. Matthews, Real Estate Officer, Room 1153, Main Post Office, Chicago 100, who will supply information with regard to bidding forms, building specifications, lease provisions, etc.

No Opposition in District 117 Race

William Brook and Roger Proise are unopposed for election to District 117 school board, Saturday, April 8. Polling places, open from 12 noon to 7 p. m., will be: Precinct 1, Antioch Township High School; precinct 2, Lake Villa Grade School; precinct 3, B. J. Hooper School, Lindenhurst.

Other members of the board (not up for election) are Robert Denman, president, Milburn C. Cain, Dr. Richard Ripley, Lester Osmond, Jr., and Ruth Seyfarth, secretary.

Next meeting of the board will be April 19, when plans for the new high school addition will be discussed.

House Numbering Plan Approved

LAKE VILLA—House numbers are now required of local residents as the result of action taken here Monday night by the Village Board. The Board ruled that each homeowner has the responsibility of determining his number from the village clerk and posting this number on his property. The move is designed to ease mail delivery and to simplify a fire call system.

The board passed a resolution commending retiring trustee Elmer Sheehan for his service. The local police force has designated April 9-12 as "lock your car door" campaign when car owners will be reminded to lock cars as protection against theft.

ATHS Senior Class To Present 'Rebecca'

"Rebecca", adapted from the classic novel of the same name by Daphne du Maurier, will be presented by the senior class of Antioch Township High School Friday and Saturday, under direction of James Corrigan.

Curtain time will be 8:15 p.m. both nights. Tickets may be procured from any member of the senior class and at the door.

ZONING STUDIED

Members of the Village Planning Committee met last night with representatives of Kincaid Associates, community planners, to discuss planning and zoning in Antioch. The committee is headed by Trustee Edmund F. Vos.

Plan \$250M Apt. Complex On North Side

Ground will be broken next week for a quarter-million dollar luxury apartment complex on Antioch's northside, it was revealed here today.

In disclosing plans for the Coral Apartments, John Dupre, sheet metal contractor and developer, announced that occupancy is scheduled for next August.

Site for the 12-unit apartment structure lies on the west side of Main North, across from the swimming pool, library and Scout House. Plans call for constructing the sprawling one-story basementless structure on the site 371 feet from Main street west by 240 feet north and south. The structure will face south, with the east elevation facing Main.

The apartment structure will be 320 feet long by 40' wide, located on the north section of the site, with the area in front planned for play, recreation and parking.

Basic structure will be masonry, combining brick and block for rear and end walls, with the front elevation largely glass. Building frame will be masonry, supporting a roof of acoustic tile on interiors, and metal panel and built-up roof to the weather.

The 12 apartment units will extend east to west, flanking a center utility area. Apartments will consist of kitchen, dining-living room, bath and two bedrooms. Each will have approximately 1,000 square feet of living space. Interiors will feature automatic vacuum cleaner, fire alarm, central heating and air conditioning.

Janitor, maid, baby sitter and services of a registered nurse will be available to tenants, it was announced. Proposed rentals were not revealed.

Recreational area will consist of a garden plot, play area, croquet court, tennis, volleyball and skating areas. Jones & Duncan, Highland Park, are the architects. Superintendent of construction will be Vincent Dupre.

High School Music Groups to Compete

Members of Antioch High School's band and music groups will compete in the district solo and ensemble contest April 15 at Barrington High School.

Under band director Joseph Rush and vocal director Ken Smouse, local entries will consist of 20 instrumental soloists, 11 instrumental ensembles, three vocal soloists and one vocal ensemble.

The competition, open to all Class A schools in northern Illinois, will last all day. Superior winners will continue on to the statewide competition May 6 in Villa Park.

MABEL'S BACK IN TOWN

Mabel Sayles, sprightly linotype operator for The Antioch News for more than 30 years, is back at her old spot after an absence of two months. Miss Sayles was injured last January in a car accident when she was returning from Woodstock to her farm home near Richmond.

GOP Schmidt, Stanton Top District Race

Republicans, still in the saddle in the Antioch area, romped home easily in Tuesday's elections by sweeping all offices. Republicans were backing the Peoples Party.

In so doing, they served notice that the heralded influx of Democrats moving out from metropolitan Chicago has not yet made a dent in this area. And in losing, the Democrats have received a not too gentle hint that if they want to keep the two-party system alive here they had better get on the stick. The Democrats were behind the Progressive Party.

Although the familiar two-party system is supposedly absent by tradition in township elections, that fact is apparent in name only.

Incumbent Myrtle Biel and W. Richard Whitacre, seeking re-election to the library board, were the strongest vote getters in the Peoples Party, gaining 1,021 and 993, respectively. Incumbent Llewellyn Van Patten, Jr., stepped out to lead Peoples Party candidates for township office by receiving 985 votes for town clerk. Close behind him were George O. Hawkins 960, John P. Miller 939, and Irving W. Carey 915, elected auditors.

Two Republican-backed candidates running for the post of assessor split the vote and cut down the three-to-one margin generally shared by Peoples Party candidates over those of the Progressive Party. G. Dudley Kennedy received 718 votes to win the assessorship as a party candidate, and was paced by Mrs. Helen Burke, GOP leader, who received 516 as an independent.

In district races, the three Republican candidates won hands down. John "Bud" Stanton was elected justice of the peace and Carl Schmidt, swamped two opponents for constable.

With 219 of 241 precincts reporting as of Wednesday morning, GOP candidate for judge of circuit court Thomas J. Moran held a handy 23,746-14,810 lead over Philip W. Yager.

See Speedy Recovery For Fall Victim, 95

Mrs. Emma Young, 95, is recovering at Victory Memorial Hospital from a broken hip suffered from a fall in her home in Felter's Subd. the evening of March 28.

Attendants today reported above-average recovery and revealed that Mrs. Young is training to get out of bed and into a wheel-chair. She expects to return home before the end of the month.

\$4,842.52 Antioch's Share of Tax Returns

The Village of Antioch received \$4,842.52 from the state Department of Revenue, as its share of the sales tax collected here during December. Tax rebates to other communities in the area were: Lake Villa, \$1,105.04; Grayslake, \$1,194.68; Round Lake, \$2,272.24. Total returned to Lake County by the state was \$11,908.65.

TRIPLE EVENT

Oakland Grade School PTA will hold a public book fair-spaghetti dinner-open house Monday, April 10, at the school. Dinner will be served from 5:30 - 7:30 p.m. Books for different grades may be purchased in respective rooms during the evening. Tickets are available from 5-6-7-8 graders and at the door.

Area Scouters Ready Plans For Annual Showando Rally

The North Shore Area Boy Scout Council will present a Showando Rally April 22 at Camp Dan Beard.

Adults in the Council are invited to come, participate in, and see Scouting in action.

Showando is a day of Boy Scout activity built around a patrol of adults from each pack, troop or post.

Some of the Showando Rally events are ropemaking, knot tying, axemanship, compass, trail signs,

nature trail, trail tent pitching, fire by flint and steel, silent signals, map contours, fire building and many others.

Each troop is asked to make up a patrol of leaders, dads and troop committeemen from their own troop, and to join the Showando Rally. They will receive instruction in 20 basic skills, a competitive inter-patrol rally, some of the best program techniques and gimmicks in the Council. A cooking demonstration covering many different techniques is scheduled.

SCOUT LEADERS brush up on camping lore as they prepare for Camp Showando rally at Camp Dan Beard, April 22. Notices have gone out and local Boy Scouts are planning sessions. Shown here are leaders from the Northwest District (left to right) Bud Traynor, Mundelein, Roy Atwood and Bill Young, both of Channel Lake Troop.

Motor Firm to Recall 4,000

KENOSHA, Wis.—American Motors Corp. announced that callbacks of some 4,000 laid-off employees at the Kenosha and Milwaukee plants will begin late next week.

President George Romney said the firm's revised production schedule for the second quarter will boost Rambler production 46 per cent above the first quarter.

The two plants laid off 4,100 em-

ployes after a one-week shutdown Feb. 6-13. Those figures included 2,500 at Kenosha and 1,600 at Milwaukee.

The callbacks are scheduled between next Saturday, April 15, and May 15.

"The increase is based on the sharp upward turn in Rambler sales during the past few weeks and strongly stepped-up dealer orders," Romney said.

"The rise began during the last period of February and has continued to improve since then," he continued. "In the first 20 days of March nearly as many Ramblers were sold as in all of February."

Romney said Rambler output is now running at about 1,370 a day and that this will be stepped up to 1,800 units a day when the additional employees have been recalled.

EDITORIAL

A Helping Hand

The American Red Cross would deserve our respect if it did nothing more than organize and assemble a vast amount of volunteer talent that otherwise might be lost.

However, it does more than recruit and train volunteers. For instance, in 1959-1960, Red Cross blood banks collected 2,422,000 pints of blood. Through its blood bank program, the Red Cross collects and distributes almost half of the nation's supply of whole blood.

Anyone who has needed blood because of illness or has given blood to a loved one, fully understands the impact of such a vast free service.

Other Red Cross services are equally staggering.

Few know, for instance, that it is the Red Cross who must negotiate for the return of Americans stranded in East Germany or other Communist "camps" where there is no diplomatic recognition by this country.

Despite its manifold contributions and services, the organization still is forced to answer for alleged wartime abuses which are groundless.

Which reminds us of three instances in which the Red Cross acted with service, kindness and a keen insight into human nature:

One evening in Hollandia, New Guinea, servicemen were gathered on a barren hillside enjoying a USO show. During a break, a Red Cross spokesman asked for volunteers for blood to be used in the temporary hospital there. Hollandia at that time was a forward staging area for the invasion of the Philippines, and a base for operations in the Halamaras and other off-shore islands in the advance against the Japanese.

Not a hand went up in volunteering blood. After an embarrassing pause, the Red Cross speaker announced, "All volunteers of blood will receive a shot of brandy".

Hands went up by the hundreds.

In the fall of 1942, in the first land offensive by Americans in WW-II, at Buna, New Guinea, troops were subsisting on two 12-oz. cans of C rations plus one-half bar of fortified chocolate per day. This was all that could be flown over the Owen Stanley and air-dropped in the first air-supplied operation in history. Came Christmas and the same motley diet. The Red Cross representative, through magic of his own, secured one sizable canned ham. This was to be dessert on Christmas Day, 1942, for members of Wisconsin's 127th Infantry, 32nd Div. Each received a paper thin slice. But someone had remembered.

Two years later when this same outfit was defeating Gen. Yamashita's troops in the tortuous Caraballo Mountains of Luzon, two Red Cross representatives trailed along with two barrels of Coca-Cola syrup and some moth-eaten doughnuts air-dropped in mortar cases.

All GI's had to do was slip out of their fox holes, duck around a small bend and there were the two Red Cross men, vets of WW I, tobacco cud in mouth, happily dispensing coke syrup from a spigot into canteen cups filled with tepid, halazoned-fouled water. Not much, to be sure, but more than was had before.

It's those little things that are long-remembered. No one has to defend the Red Cross to members of this Wisconsin Division. No one needs to defend the Red Cross to those victims of Chicago's tornado earlier this month.

No one has to defend the Red Cross to any flood or major disaster victim anywhere in this great land of ours.

They just don't come any better.

Your State Senator Reports

In the famous "Lost Speech" delivered by Abraham Lincoln, May 29, 1858, at Bloomington, he is reported to have said: "Let us lay aside our prejudices, and march — shoulder to shoulder — in the great army of freedom." It was on this date and at this place that the Republican Party was born, and as our contemporary, Carl Sandburg, has said: "If he didn't say those words, he should have."

The struggle to eliminate prejudice in all areas of our society is as old as the history of man. In the present session of the Illinois General Assembly legislative measures described as "equal job opportunity" and "fair employment practices", have occasioned emotional speeches and much misunderstanding. When the issue is resolved it is hoped that there will be some tangible results.

House Bill No. 406, described as a bill to encourage equality of opportunity and establish a Fair Employment Practices Commission was passed recently in the House by a whopping 115 to 42 majority. It is now pending in the State Senate.

The bill would apply to employers of more than 10 persons, to labor unions, and to some other organizations. The Commission created under this proposal would be granted wide authority to investigate and punish violators of the stated purpose of the act. Complaints might be filed in cases of employment decisions on the basis of race, color, religion, or national origin, and employers and others found guilty of violations would be subject to penalties including fine and possible imprisonment.

In addition to the regulatory aspects of the proposed legislation, the political implications cannot be overlooked. The bill introduced in the

Illinois House was supported by more Democrats than Republicans. On a national basis, the Democratic Party, through its control of the southern states, must assume responsibility for perpetuating prejudice against Negroes, even to the extent of excluding them from public schools, public transportation facilities, public parks, golf courses, beaches, and libraries, where tax support would appear to establish unquestionable equal rights.

Few appear to demand the severe penalty provisions, except for the obvious coercive effects. To this writer, it seems that such regulations are inconsistent with the development of "brotherly love" and should be deleted from the pending bill. However, the opportunity for such a change may have been lost following defeat of F.E.P.C. at the last session.

For many years Republican platforms have supported laws favoring equal opportunity legislation, and the writer hopes that support for the principle enunciated by these platforms can be garnered among Republican as well as Democratic members at the present session.

Voluntary programs have gone far toward resolving the problem of prejudice in industry. On the other hand, the threat of a punitive statute has undoubtedly hastened the adoption by some of a voluntary program. Enactment of some measure at this session should end the political bigotry practiced by some of the sponsors of previous legislative proposals for "fair employment".

And — the Republican Party should again be (as it was conceived on that fateful day at Bloomington) "the great army of freedom", offering the fairest and greatest opportunity for all without regard to race, religion, color or place of birth.

Courthouse Notebook —

BY LOU DUKIN

A new Republican organization embracing all existing GOP groups in the county is in the process of being organized with the apparent goal being to pump new life and vitality into the Republican Party in Lake County.

The new organization would have representatives of the Young Republicans, Men and Women's Republican clubs from all sections of the county, the Republican Workshops and the regular organization on the Board of Directors.

A primary activity of the group would be in the field of fund-raising for the GOP in Lake County and the group would also maintain a full-time headquarters to coordinate activities and to serve as a publicity headquarters for the various groups in the county.

This is fine as far as it goes, but it seems to us that a watchdog group with teeth is needed more than anything else in the county.

Some group is needed to put the spurs to the party leadership, to those precinct committeemen who are too prone to sit on their hands except when they themselves are candidates, and to elected officials and payrollers who are party members in name only.

We would suggest that such an organization make it absolutely clear that there is considerable dissatisfaction among Republican Party members with the way things are going in the Republican Party in Lake County and that positive steps will be taken to jack up the regular organization if it doesn't snap out of its lethargy and provide real leadership for the GOP in the county.

Such a group should work outside of the regular organization so that it would be free to take action in those areas where action is needed. Such a group should not seek the Central Committee's blessing. Rather the Central Committee should seek its blessing.

The Lake County Board of Review has completed its work for this year some six weeks earlier than in 1960 which means that tax bills in Lake County should be out somewhat earlier than last year.

There is still considerable work to be done before these onerous missives arrive through the mails with the extensions being made by the County Clerk's tax extension department and the actual bills being prepared by County Treasurer Hugo L. Schneider Jr.

From here on it is a purely mechanical function on the part of these two departments since levies previously passed by school boards, sanitary districts, drainage districts, fire protection districts, cities, villages, townships, and myriad other special taxing districts will determine the amount of money to be raised through real estate and personal property taxes in the county.

There will be weeping and wailing when the tax bills come out and there will be a rash of new taxpayer organizations being formed to do something about the steadily rising taxes.

There will be meetings, letters to the editors, and more than a little agitation to "throw the rascals out," whoever they are. And then some day school boards and other taxing bodies will sit down, pass a new levy in complete privacy, and set the whole thing in motion again.

Isn't it about time that the national heads of all these medical research groups and welfare groups get together at some swanky resort and revamped the schedule of fund raising campaigns?

Except for the Easter Seal Campaign and the March of Dimes we don't know of any group that is tied to a specific date between New Year's and Easter so why can't these drives be spread out through the calendar to give the workers and contributors a breathing spell.

It would also prevent overlapping of publicity which is detrimental to all the organizations.

SIDELIGHTS
from
SPRINGFIELD

By Rep. PAUL SIMON

"In the field of education, I'm afraid we've substituted the three B's for the three R's," a newspaper editor said at a meeting I attended recently.

He described the three B's as "basketball, beans, and buses." His statement was an exaggeration, but there is enough truth in it to concern me — and it should concern more citizens.

For the most part our teachers and administrators have been doing an excellent job, but it is true that an increasing percentage of our school tax dollar goes for items which would have been considered frills.

Whatever abuses there are will be corrected only by citizens interested and alert to what is going on in the field of education.

I have visited school districts where unquestionably a disproportionately large share of the tax dollar has been spent for physical education facilities — but I would guess this is what the people of those school districts want.

College courses in "Flower Arranging" and "How to Play Chess" are not the type of thing I feel state tax funds should support, but as long as only a handful of us object, I expect they will continue.

At the state level I feel it is not the business of the legislature to require a certain amount of physical education, or to dole out a premium to school districts which have driver training courses. If a local school district wants to have elaborate physical education programs or driver's training, that should be entirely a local matter with no interference from the state.

Driver's education receives more of a state subsidy than does reading, writing, and arithmetic. This seems out of balance. Until more citizens take an interest, this imbalance will continue.

We have every right to be proud of our schools. But this does not mean there is no room for improvement. We should constantly be rethinking the function of our schools.

With reference to teaching of languages, for example, the great weight of evidence is that it should be carried on at the elementary school level. Yet few of our elementary schools teach languages. One of the great weaknesses the United States faces abroad in our struggle with world Communism is that so few of our diplomats can speak in the language of the people where they serve. In all of the Communist countries, for example, we have only one ambassador who speaks the language of the people where he is the ambassador. This is tragic. But we, as a people who pay so little attention to foreign languages, hardly can expect to produce a diplomatic corps of linguists. This must start at "the grass roots" — in our schools.

Another area we must rethink is

the use of our school buildings. My guess is that increasingly our schools will be open in the summer months during the coming years. For the

Year 'Round Schools

State Senator McClary last week introduced a bill that is worthy of consideration by educators and taxpayers alike. Sen. McClary's bill advocates complete utilization of school buildings and other school facilities 12 months of the year. This program would be on a "permissive" rather than a "compulsory" basis.

We have long advocated 100 percent use of our schools as we don't know of any other business or industry that can afford to allow a multi-billion-dollar investment stand idle 25 percent of the time.

This happens when schools close down during the summer months.

Surprisingly, leading opponents to such a move are those who moan loudest when taxes come due. Last

we forget, some 70 percent plus of real and property taxes go toward education.

To begin with, the three-month summer vacation was never designed as such. It was a leave of absence for the pupil to allow him to help with planting and harvest back in the days when our economy was largely agricultural. Nor does the vacation always extend from June through August. In many areas, where agriculture is predominant, it may start earlier or later, depending on the growing season.

Today, however, the use of school children in the fields is relatively rare as farmers more and more employ modern mechanical methods.

Parents may maintain that children need this break in the school year. Be that as it may, and there is cause to doubt that youngsters need such a lengthy period to recuperate from the long, hard months in school, students can still have vacations, and three-month ones if desired. These can fall at any time — spring, fall, winter or summer.

Vacations can be staggered by grade or similar. Or, vacations can be spread to three or four two-week periods over the year — two weeks at Christmas, two in the spring, two or more in the summer, two in the fall.

Instructors desiring to pursue summer studies can be granted leaves of absence. Many instructors now take off-school summer employment. Extend their salaries over a 12-month teaching period if they instruct the year around. It seems logical that an instructor not engaged in summer studies would welcome a 25 percent boost in pay while working the full 12-month period. He would enjoy a shorter vacation as do those in other vocations.

We can't speak for the mothers. But we have found that midway through the summer, harassed mothers spend many a moment wondering what to do with fidgety junior and joyfully anticipating his return to school in the fall.

BY COINCIDENCE — In their devastating denouncement of this country's habit of recruiting personnel to head and staff our foreign embassies, William J. Lederer and Eugene Burdick in their best-selling "The Ugly American", stress the fact that U.S. personnel serving overseas should be prepared to "live among the natives" eating their food, speaking their language and meshing in with their local way of life.

Thus, it was somewhat of a shock on coming back to the office following a recent lunch during which we completed final chapters of the book, to find a fresh, slick release from the U.S. International Cooperation Administration soliciting young ladies for secretaries overseas.

The expensive tome reads like the perfect dream of travel overseas — trim young lassies sightseeing in the Chang Duk Palace, chatting with members of the Royal Thai ballet, shopping in the Indian market place, playing tennis in a swank club in Cambodia, pedicabbing past the shrine of Pheom Penh, sightseeing in Teheran, living in lovely Japanese-style apartments.

There's nary a word about duty, sacrifice, working with the local populace, learning the language, eating the local foods and smelling the local smells.

No, Uncle Sam will house his secretaries and all their loveliness in swank housing far above the local level, chauffeur them to work, pay them a salary which, in comparison to foreign standards, is but below that of cabinet rank, place at their disposal canteens filled with foodstuffs and other merchandise unobtainable to natives at any price, and otherwise make them the objects of envy in the areas in which they are stationed.

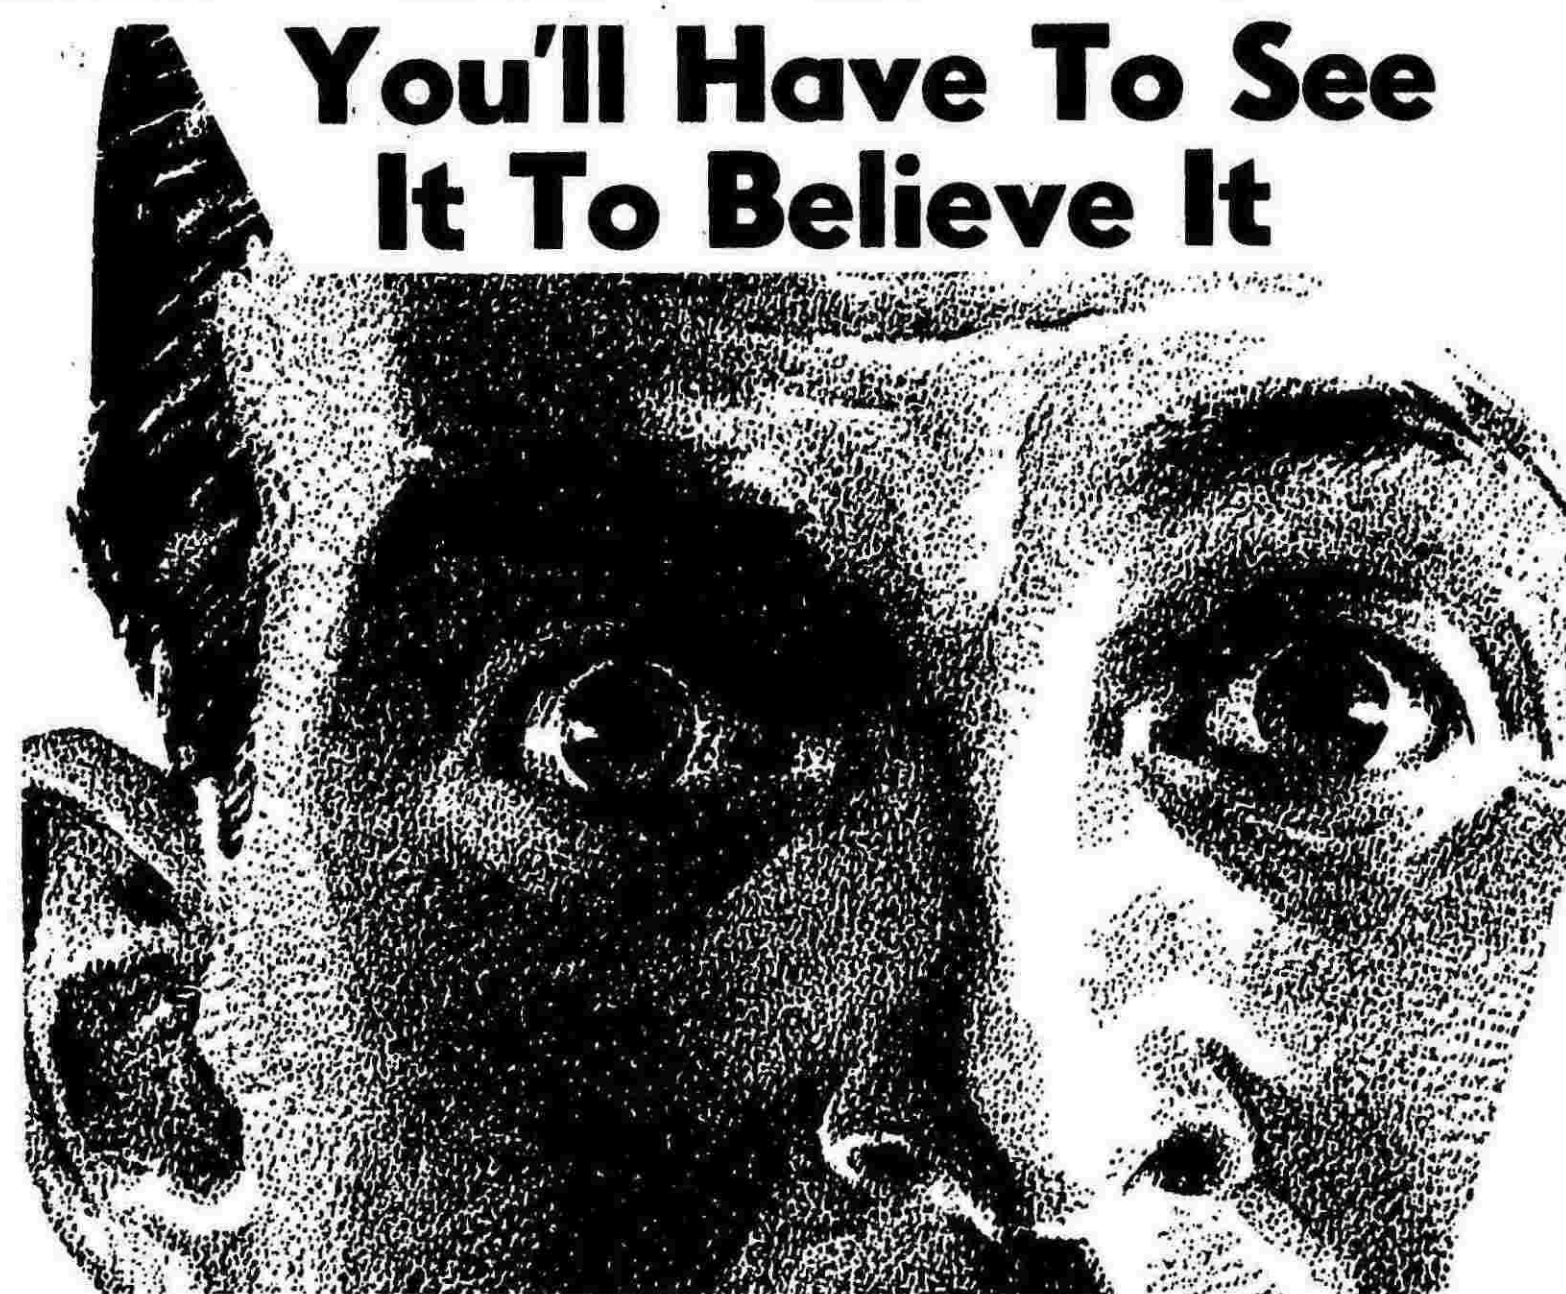

Seems we never learn.

most part, these buildings are now unused for three months of the year. School districts which have offered summer programs have been most enthusiastic about them.

Other examples could be cited. Ask yourself: Have I recently at-

tended a meeting of my local school board? Have I recently written to a university or a legislator about school problems?

When more people can give affirmative answers to these questions, we will make greater progress.

FALCON has won the hearts of over 620,000 owners who demand all the compact advantages and not just a few!

Falcon Deluxe Fordor Sedan. Also see the sportiest, smartest Tudor and Fordor wagons in the compact field.

WHY PAY UP TO \$410* MORE FOR A "COMPROMISE COMPACT" when no other compact can match Falcon's Winning Combination?

1. FALCON FIRST IN ECONOMY—Shatters 25-Year Mobilgas Economy Run Record!

A 1961 Falcon with standard transmission averaged 32.6 miles per gallon in this year's Los Angeles-to-Chicago Mobilgas Economy Run—shattering all mileage records for 6- and 8-cylinder cars in the 25-year history of the Run!

2. FALCON FIRST IN SALES!

Falcon is America's best-selling compact sedan for the second year running. What's more, Falcon combines the winning combination of all you want in a compact car with the lowest price tag of any 6-passenger car in America!

* Based on a comparison of manufacturers' retail delivered prices for 6-door sedans. Deluxe trim and white sidewall tires shown optional at extra cost.
† Based on a comparison of manufacturers' suggested retail delivered prices.

No wonder Falcon is first in sales, first in savings, tops in resale value. You'll find you can pocket up to \$410 by picking Falcon over some "compromise compacts." Falcon cuts operating costs, too—stretches gas mileage, goes 4,000 miles between oil changes. You save on tires, insurance, everything... even a fender costs less to replace on a Falcon.

LOOK WHAT ELSE YOU GET IN THE BARGAIN! Room for 6 adults. Solid comfort. Compact parking length. And there's a new 170 Special engine option for extra performance! Put them all together and you've got the Winning Combination. And now, with our Winning Deal, it's yours at a can't-afford-to-miss price. Stop by today and see how much you save on a '61 Falcon.

No experience needed

Solve 3 lawn problems in one afternoon

Worried about crabgrass? Lawn too thin? Bare spots a problem? You can take care of all three in one afternoon. HALTS® creates an invisible barrier on the soil's surface that kills crabgrass as it sprouts. Yet it lets good grass sprout unharmed, so you can sow all-perennial, weed-free Scotts seed on the same day. Non-burning TURF BUILDER® supplies all the nutrition new and established grass needs for healthy growth—promotes a thick satisfying lawn even in poor soil.

Ask us about the Scotts guarantee... a better lawn or your money back!

Entertaining this week? Why not serve this scrumptious dessert. Your guests will be sure to enjoy it.
BROWN DORSEY BLACK BOTTOM PIE
 Mix 1 envelope Unflavored Gelatin, 1/2 cup sugar and 1/4 tsp. salt thoroughly in a saucepan. Beat one egg yolk and 1/4 cup milk together in a bowl. Add egg and milk mixture to gelatin mixture. Add 3 squares unsweetened chocolate. Cook over medium heat, stirring constantly until chocolate is melted. DO NOT BOIL! Remove from heat and beat with a rotary beater until smooth. Chill in refrigerator, stirring occasionally until mixture mounds slightly when dropped from spoon. Fold in 1 cup whipped evaporated milk and 1 tsp vanilla. Turn into a 9-in. baked pie shell and chill until firm. Serve topped with whipped cream.

Topics for Today's Women

OES Chapter Schedules 'Advance Night' Rites

Antioch Chapter 428 of the Order of the Eastern Star will hold advance night this Saturday at 8 p. m. in Wesley Hall of the Antioch Methodist Church. It was announced by Josephine Kirschbaum, worthy matron, and Emil Kirschbaum, worthy patron.

Guest officers will be associate matrons and associate patrons of other chapters.

Marion S. Kleven, associate matron, and Harold Kleven, associate patron of Antioch, will be in the East. Mabel Weber, conductress, and Herbert Pauli, warder of Antioch, will be in the West.

Jeanette Brown, associate conductress of Antioch, will be in the South, and Lillian Gaa, instructress of Antioch, will be guest of honor.

Guest officers will be: Frances Karsner, Sorosis, secretary; Glen Karsner, Sorosis, treasurer; Gladys Robinson, Libertyville, associate conductress; Ero Nordlund, Waukegan, chaplain; Iyra Nordlund, Waukegan, marshal; Delia Elfert, Lake Forest, guest organist; Etta Stieher, Millburn, Adah; Harriet Kirschbaum, Mayflower, Ruth; Isabel King, Deerfield, Esther; Leota Douglas, Easter, Martha; Georgina Sutter, Campbell, Elleta; Edward Sutter, Campbell, warder; Christian Elfert, Lake Forest, guest sentinel; Ray King, Deerfield, color bearer; Gwen Morrison, Antioch, sentinel; Hazel Richards, associate matron, Lake Zurich, and Gerry Cook, Lake Zurich, grand chapter committee member.

Escorts will be Joseph Parfitt, color bearer of Antioch and Herbert Pauli, warder of Antioch.

Deborah Van Patten, past matron of Antioch, will be at the organ and Clarissa Mellen, soloist of Millburn, will be soloist.

Rosary Society Plans for Sale

The regular monthly meeting of St. Peter's Altar and Rosary Society was held in the church hall Monday evening.

Some 50 members brought articles for the rummage sale to be held later on in the summer.

After the business meeting Mrs. Leonard Madden read an article on "Holy Week in the Philippines" written by Father Michael McShane of the Columban Fathers. April birthdays were celebrated.

The Easter theme was carried out in decorations. Mrs. James Walsh was chairman of the hostess committee. Helping her were Mesdames Clete Vos, William Morris, Peter Freund, Ben Shostak, W. J. Jorgensen, Jr., and Roy Kiefer.

Homemakers Meet; To Assemble April 26

The Antioch Homemaker's Club met March 22 at the home of Mrs. Albert Sima, with Mrs. Frank Kranz and Mrs. Belle Grunow serving as co-hostesses. A dessert luncheon was served.

At the business meeting, Mrs. Harry Dowell was selected as social chairman; Mrs. Fred Bremer will continue as publicity chairman and Mrs. Louise Liess as financial secretary. Secret pals exchanged gifts and cards were played.

The next meeting is scheduled for April 26, with Mrs. James Van Cura as hostess. Mrs. Louis Paiml and Mrs. Fred Bremer will assist.

Wed Saturday

By Mrs. Pearl Kapell
Miss Nancy Krieger, daughter of Mr. and Mrs. Robert Krieger of Lake Catherine, and John Weldin, son of Mrs. Ralph Dowell, were married Saturday in Waukegan. The young couple left for California last Monday, where Mr. Weldin is stationed in the Marine Corps.

AWARDED SCHOLARSHIP

David A. Bose, Rt. 2, Antioch, has been awarded a scholarship in agricultural economics by the University of Illinois. Bose is among 440 graduate students receiving awards in university, teaching, industrial, endowed and special fellowships.

His award covers tuition, fees and a cash stipend.

Harvard Guests

Mr. and Mrs. Arthur Runyard and family of Harvard, Ill., were guests of his aunt, Mrs. Ethel Runyard, of Channel Lake, on Easter Sunday.

Mrs. Marjorie Merrell of Dryden, Ontario, Canada, arrived in Antioch Tuesday for a visit with her granddaughter, Mrs. Walter Shepard and family.

Mrs. Gladys Douglas of Wichita, Kansas, left Monday after a few weeks visit with her sister Mrs. Frances Williams and family.

Fellow Bell Workers Give Farewell Lunch For Chief Operator

Fellow Illinois Bell workers gave a farewell potluck luncheon Friday for Mrs. Nancy A. Reichardt, chief operator, who will transfer to the Libertyville office. Mrs. Reichardt will be chief operator at her new station.

Mrs. Reichardt will mark 35 years with the utility in September. She was transferred from Waukegan to Antioch as group chief operator in March, 1956, and was named chief in July, 1958, when Mrs. Ruth Tidmarsh retired.

Mrs. Irene V. Noble will replace her as chief operator in Antioch.

Trio Entertains Rotary Members

The Treble Clefs, girls triple trio, and a soloist from Salem Central presented a musical program recently before a meeting of the Burlington Rotary Club there.

Members of the group are Linda Schultz, Janice Nofrey, Kathy Ling, Janet Hansen, Carol Schultz, Jackie Goring, Maggie Wehner, Atti Taft, Mary Getkak, and accompanist Joan Gordon. Vocal director is Mrs. Jane Palumbo.

Misses Deedie and Mary Tiffany returned home Wednesday after spending the winter in LaJolla, California.

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa, Ill. 6-5875

LAKE VILLA—The Royal Neighbors of Cedar Lake Camp will meet Tuesday at 8 p. m. in the Village hall. A Hobo lunch will be held after the meeting.

The Royal Neighbors officers club will meet Wednesday at the home of Gladys Schroeder at Petite Lake, Antioch. A dessert luncheon will be served at 12:30 p. m. Co-hostess will be Erna Tott.

The Naomi Circle of the Lake Villa Methodist church will meet Monday at the home of Mrs. Norbert Plischke, Venetian Village, Lake Villa, starting at 8 p. m. Devotions will be given by Dorothy Colbert.

The Women's Society of the Ingleside Methodist Church has extended an invitation to the Women's Society of Christian Service of the Lake Villa Methodist Church to a spring luncheon to be held Wednesday noon at the Ingleside church. After the luncheon, Frank Burrows, field service director of the Citizens' Traffic Safety board, of Chicago, will be guest speaker.

Danny Slazes, stationed at the Marine Base at Camp Pendleton, San Diego, Calif., called his parents, Mr. and Mrs. Frank Slazes, Sr., to wish them a happy Easter.

Sandra Bartlett celebrated her fourth birthday Sunday with her parents, Mr. and Mrs. Clifford Bartlett, her sister, Suzann and her brother, Scott, her grandparents, Mr. and Mrs. Kaurin Karolius, and Mr. and Mrs. Fred Bartlett, Sr.,

Very Soxy Party

To the loudest sox will go the spoils at tomorrow night's "Sock-Hop" sponsored by the student council of Grant High School. The affair will be held at Grant High's gym from 7:30 to 11:30 to music by the Galazies. Prizes will go to those guys and gals with wierd, colorful sox.

Mark Anniversary Of Rainbow Girls

Antioch Assembly, Order of the Rainbow will observe its anniversary Sunday at the 11 a. m. service of the Methodist Church. The anniversary is celebrated each year on the Sunday nearest April 6.

For the observance, all members and the Advisory Board are urged to attend. Following the service Rainbow Girls will lunch at Adolph's Channel Inn.

In other activity, Antioch Assembly will meet at 7:30 p. m. Monday at the Masonic Temple. During the evening Candy Meyer and Kathy Halvay will be initiated and receive the degrees of the order. Jill Anderson, Worthy Advisor, will preside. All members with March birthdays will be honored. Jane Lassen and her committee will serve refreshments.

Last week Antioch girls attended Friends' Night at Bensenville Assembly with Dee Stillson, Harriet Wells, Patricia Brown and Karen Jennrich filling various stations. Members, accompanied by Mrs. Hunter, Mrs. Ptack and Mrs. Brown attended the official visit of the Grand Worthy Advisor Valerie Knox at Lake Forest, Wheeling and Chicago assemblies.

Betrothed

Lida Gail Frasier
Mr. and Mrs. Roy W. Frasier, 128 Bluff Dr., Antioch, announce the engagement of their daughter, Lida Gail, to Mr. D. Robert Murphy of 1340 Lawndale, Chicago.

The bride-to-be is a graduate of Antioch Township High School and is now attending Northern Illinois University at DeKalb.

Mr. Murphy is employed in Chicago. The couple plan an autumn wedding.

Church Marriage Conference Sunday

A Cana conference on the husband-wife relationship will be held at St. Peter's Church at 1 p. m. Sunday.

In announcing the conference, the Rev. Alfred J. Henderson said, "The best way to prevent troubled marriages is to encourage couples in good marriages to understand the dynamics of rich resources of Christian matrimony and thus deepen the bond of love in the home."

"This is the purpose of our Cana conference," Fr. Henderson said. "It gives couples an opportunity to learn about and to discuss every facet of their vocation from the very practical money and baby problems to the realms of conjugal spirituality."

The conference, conducted by an experienced priest trained in family life education, is open to all couples. A luncheon will be served and the afternoon will conclude with a renewal of marriage vows.

For reservations and information, call Mrs. Charles Forster, Antioch 1983, or Mrs. Rudy Eckert, Antioch 533-R.

Mr. and Mrs. Walter Shepard, Mrs. H. E. Shepard and Howard E. Shepard spent Easter with Mr. and Mrs. H. A. Olsen at Springfield, Ill., and attended the wedding of their son, Harold. Walter Shepard was a groomsman for his college classmate, and his brother Howard was an usher at the ceremony.

Mr. and Mrs. Jeff Mitchell and family of Kansas City, Mo., were guests of friends in Antioch Friday.

Miss Mary Lou Sibley of Evanston spent Friday with her parents, Mr. and Mrs. N. E. Sibley.

Wait- Don't Buy
Now-Coming
APRIL 13
Go Pat's Big Summer
Meat Sale
Plan to Stock Your Freezer

Antioch telephones will soon be converted to dial with actual changeover to this modern dial system taking place this summer.

Two special features of your new dial system will be: Direct Distance Dialing (DDD). This lets you dial long distance without going through the operator. And All Number Calling (ANC) which gives you a new style, 7-figure, national telephone number.

To "go dial in style", make your telephone a key part of your decorating scheme — have color phones installed. When the installer visits your home, he'll be happy to show you telephones in the nine, new, decorator colors.

Have convenient extension phones installed in those rooms where you spend a lot of time — the kitchen, bedroom and living room. Then you'll reach (not run) when the phone rings. An extension phone costs little. And, if it's installed when your phone is prepared for dial, there's no installation charge!

Yes! "Go dial in style"

ILLINOIS BELL TELEPHONE

Every Bell Telephone employee carries an identification card. When the installer calls to put in your dial phone, he'll be glad to show you his card.

Take your choice of table model (left), Princess (center) or wall phone. The new Princess has a modern, oval shape, it fits anywhere . . . and the dial lights up, too. Cost? Just pennies a day, after a one-time charge.

By Mrs. Pearl Kapell

It was Leader's Recognition night at the Scout House when Girl Scout Leader's held their neighborhood meeting Monday, March 27.

Because many were unable to attend because of the storm and high winds that night, next month's neighborhood meeting will honor those leaders who were unable to attend to receive their awards.

The program was under the direction of Miss Joan Cervinka. The meeting opened with the flag ceremony, with Mrs. Mary Brucki serving as flag bearer and Mrs. Louis Tanner and Mrs. Barbara Beese serving as honor guards. Mrs. George Sedivec, neighborhood chairman, awarded ribbons to several troop leaders. The ribbons signify the responsibility of the leaders to the girls under their direction and to the other troop leaders.

Ribbons were awarded to Mrs. Rozga and Mrs. Dorothy Colbert, of Lake Villa; Mrs. Mary Brucki and Dorothy Lindblad, from the Antioch Grade school troop; Mrs. Louis Tanner, Mrs. William Halsma and Mrs. William Brooks from the Emmons school troop; Mrs. Barbara Beese and Mrs. Belle Hribar of Grass Lake; and Mrs. Audrey Allen and Mrs. Ray Jensen.

Mrs. W. Ruckholz of Troop 211 was honored as the earliest registered active leader in this area. Mrs. Ruckholz was first registered in 1941. Mrs. Arthur Tiesling of Troop 242 was honored as the newest registered leader. She registered last December.

Mrs. Belle Hribar was presented with an award for service as a past neighborhood chairman. Mrs. Hribar has served as neighborhood chairman for three and one-half years.

Mrs. Sedivec announced that Charlotte Queen will be Water Front Counsellor at the Girl Scout summer camp, Camp Robin Hood, at Green Lake, Wis. Cabin counsellors are needed for the camp for the two weeks beginning July 10. Anyone interested, please call Mrs. Sedivec at Antioch 87.

Methodist Men Plan Roast Beef Dinner

LAKE VILLA — The Methodist men of the Lake Villa Community Methodist Church will serve a roast beef dinner next Wednesday, April 12, from 6 to 8 p.m. The roast beef, vegetables, potatoes, salad, dessert, coffee and milk will be served family style for adult donations of \$2 and \$1 for children under twelve. Tickets may be purchased at the door or from any of the Methodist Men.

General Chairman, Henry Reidel is assisted by Bob Henderson, publicity; Warren Brown, tickets; Vern Blust, kitchen; and Ed Thamerus, dining room.

Channel Lake News

By Mrs. Pearl Kapell

CHANNEL LAKE — The Ruth Circle of the Methodist Church met at the home of Ogot Hennig on Lake Avenue, March 21. A dessert luncheon was served to the 17 ladies present.

Twenty members of the Home-Maker's Club gathered at the home of Marie Sims March 22. The ladies revealed secret pals for the past year — members whom they remember on birthdays, etc. — and drew new "pals" for the coming year. The Homemakers' Club made cancer pads at their March 29 meeting at the home of Mrs. Clarence Spiering. Mrs. Spiering is in charge of this project. Present at the March 29 meeting were Theresa Kranz, Marge Weiss, Mrs. Hjaris Bremers, Belle Grunow, Mrs. Earl Loomis and Ogot Hennig.

Andrew Stewart, Channel Lake Bluffs, is a patient at Victory Memorial Hospital, Louis Beech, Woodcrest Subdivision, is a patient at Victory, also. Ricky Roberts, son of Mr. and Mrs. Bud Roberts, is home from the hospital after his recent eye injury, and Timmy Willett is now convalescing at home after a bout of infectious mononucleosis.

Election of two members of the Board of Education at Channel Lake School will be held Saturday, from 12 noon to 7 p.m. The two members whose terms expire—Elmer Meierdick and Mary Chase—are unopposed for re-election.

News of Wilmot

By Mrs. Herman Frank

WILMOT, Wis.—Kathleen Tindall, Cynthia and Charlotte Weber were hostesses Saturday for the eighth birthday of Joe Tindall. Guests were: Nick and Michael Muller, Joe and Elaine Robinson, Colleen Weber, Michael Robinson, Steve and Patrick Morton. Games were played and refreshments served.

Linda Oetting and Linnea Sattersten spent a few days with Miss Schaefer, Kenosha.

Carol Oetting arrived home by jet Sunday morning after a week's vacation at Hollywood, Fla.

Mr. and Mrs. Leland Pacey, Leland, Jr., and Tammy, Mrs. Raymond Stoxen, Jr., and family spent Sunday with Mr. and Mrs. Cyril Pacey.

Wilmot Cemetery meeting will be held Friday at 8 p.m. at the Wilmot Methodist Church basement.

Mr. and Mrs. Charles Oetting, Trevor, Mrs. Annie Smith, Kenosha, Mr. and Mrs. Frank Zarnstorff, Sr., were Easter guests of Mr. and Mrs. Alfred Oetting.

Mr. and Mrs. Elmer Rasch and family, Mrs. L. Sweet and Mr. and Mrs. Dean Schultz were Easter guests of Mr. and Mrs. Ervin Rasch. Glen Rasch returned home Sunday from a week at Miami, Fla.

Mr. and Mrs. Cyril Pacey and Bruce Feldkamp celebrated the birthday of Tammy Pacey, Monday evening.

Wilmot High School P.T.A. will meet Monday. Wilmot group will be on the serving committee.

Mr. and Mrs. Elmer Rasch and Doris, Mrs. L. E. Sweet spent Saturday evening with Mrs. O. R. Cubbon, Waukegan.

Local Leaders Urge Support of Cancer Drive During April

Continued support of the work of the American Cancer Society, Inc., in researching and fighting the disease were urged here this week by

HOW CHRISTIAN SCIENCE HEALS

April 9
WBBM-TV, Chicago

Fear Thou Not

How serious physical problems were healed through prayer.

Mrs. Earl Pape and Mrs. Arthur Meierdick, Antioch crusade chairman and co-chairman, respectively. The two volunteer leaders announced that more than \$65,000 was contributed last year to the Society through efforts of volunteer workers at a cost of less than 5 percent of the amount raised. This money is now being used in Lake County and throughout the United States in continued efforts against cancer.

Funds collected by volunteers are used to maintain an information center at 228 North Genesee St., Waukegan; basic research to discover the cause and cure of the disease; education through medium of literature, club programs, exhibits and posters for display, and health education in schools; services to patients, including dressings, beds, wheel chairs and other equipment; transportation service to patients; and nursing service to home patients.

Bids Let on Salem Central Addition

SALEM, Wis. — The Lake Geneva firm of Paul Gavin & Son Construction Co. was low bidder for general construction of the proposed addition to the present high school building. The firm came in with a bid of \$88,200.

Other lower bidders were: plumbing — \$44,461; Kaelber Plumbing Co., Kenosha; and electrical — \$48,830, Nardi Electrical Co., Kenosha.

Bids were accepted by the board and construction work is slated to start in the immediate future.

The Central High Board has appointed Rodell Schenning and Kenneth Johnson to study school bus facilities for the purpose of adding two to Salem-Central's fleet.

Watch These Exemptions on 1960 Tax Returns

Harold R. All, Chicago District Director, Internal Revenue Service, issued a word of caution to taxpayers on claiming erroneous exemptions for dependents when preparing their 1960 Income Tax Returns. He pointed out that claiming exemptions for dependents under circumstances that are questionable, might result in delaying refunds which otherwise could be processed within a few weeks.

"During the examination of 1960 returns filed in the Chicago District, 46,141 returns were selected for examination because the dependents claimed were questionable. Most were disallowed because the taxpayer failed to establish that he had furnished more than one-half the total support of the dependent."

"The law concerning the claiming of exemptions for dependents is clearly explained in the instructions for preparing the various income tax forms. While the instructions have general application, there are a great many situations where the instructions require additional or technical interpretation," All said.

In order to assure that the law is being complied with in the claiming of exemptions, Internal Revenue Service will continue to make intensified audits of tax returns where questionable exemptions for dependents are claimed.

All advised taxpayers who have exemption questions not covered by the instructions, to call or write to the nearest Internal Revenue Service Office.

Classmates of '97 Hold Reunion Here

By Mrs. Pearl Kapell

School days of another era were brought into focus when kindergarten classmates of 63 years ago assembled for a reunion recently at the home of Mrs. Rose Novak, Lake Catherine.

Six members of the kindergarten class of the Newberry School, Chicago, 1897, traveled from points in Illinois and neighboring states to attend the reunion. The six - still living from an original class of 10, lived in one apartment house when they were attending school together.

They have maintained their ties through the years, and rarely miss a birthday celebration of their classmates, Mrs. Novak said. Only one member, Eva Sheehan of Chicago, was unable to attend the reunion.

Present at the gathering were Mrs. Anna Kline, Mt. Prospect; Mrs. Helen Hoag, Round Lake; Mrs. "Buster" Conrad, Chicago; and May Taylor, Chicago. Also present, although not members of the original group, were Mrs. Hoag's husband, Ernest, and host Mike Novak.

Soil Conservation Group Re-Elects Stanley Rouse

Stanley Rouse was re-elected chairman of the Lake County Soil Conservation district at the director's meeting recently. Other officers selected are Henry Knigge, vice chairman, and Henry Schaeppi, secretary and treasurer. Stanley Faulkner, Gurnee, and S. Burton Lee, Grayslake, are members of the board.

Requests for assistance in developing conservation farm plans were received from James Herman and Helen Herman, Antioch Township. Both were approved.

Activities of the group included staking of terraces and waterways at Brickman Nursery, Long Grove, and consultation with the Lake Zurich Lions Club on development of a lake and park areas. Six requests for cost-sharing assistance under the ACP program were processed.

The next meeting of the group will be held at 8 p.m., April 4, in the Farm Bureau Building at the Fairgrounds.

Ravenglen Farm Cows Cited for Production

Four cows owned by Ravenglen Farm, Antioch, have been cited by the Holstein-Friesian Association of America for outstanding production.

Moellersons Marie Triune produced 16,014 pounds of milk and 638 pounds of butterfat in 340 days as a 7-year-old; Urena Melody, 19, 686 pounds of milk and 777 pounds of butterfat in 365 days; O MO JO Billy Carmaleta Prince, 20, 841 pounds milk and 839 pounds butterfat in 329 days as a 8-year-old; and Ravenglen Suzy Triune, 10, 202 pounds milk, 854 pounds of butterfat in 365 days.

Canine Capers Have Doggie Set Agog

An Antioch dog named Dutchess might well be the envy of the stay-at-home canine set here.

Dutchess, a Pomeranian owned by Mrs. Edward Dompke of Antioch, is living the plush life of a vacationer in sunny Florida.

To indicate how far she has traveled on the doggy social ladder, Dutchess was featured in a front-page story and picture in the Hollywood (Fla.) Sun-Tattler.

Reason for the writeup: Dutchess was to be the guest of honor at a pink champagne party in suburban Hallandale, and the paper printed a list of guests, including 13 people and a French poodle named Aly.

New 4-H Club Organized Here

A new 4-H club was organized in Antioch several weeks ago, with Mrs. E. T. Hevrdejs as leader. The girls will meet on Wednesdays after school, at the home of Mrs. Hevrdejs and their project is "You Learn to Bake".

The members of the club are Rita Maracko, Judy Hevrdejs, Jackie Pyles, Helen Zeien, Cynthia Pederson, Maureen Hildebrand, Emily Milowski, and Diana Costoff.

Where will you find a handsomer hardtop than this Impala Sport Sedan?

MORE PEOPLE ARE
BUYING CHEVROLETS
THAN ANY OTHER MAKE!

"When one car outsells all the rest the way this new Chevrolet is doing" - there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboglide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of

AND JUST ONE
JET-SMOOTH
RIDE WILL
SHOW YOU
WHY!

persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

*Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960 - and Chevrolets continue to set the pace for the industry this year!

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

WELCOME WAGON

IN AMERICA'S BIGGEST, TOUGHEST 1961 ECONOMY CONTEST...

Which man drove Rambler?

In the most realistic test of all-around gasoline economy ever staged—the NASCAR sanctioned 1961 Pure Oil Economy Trials at Daytona—Rambler won three trophies, held by driver Les Viland in the photo above.

No other make won more than one award... most won none.

Unlike other runs that put a premium on feather-footed driving, the Pure Oil Economy Trials closely parallel your own everyday driving experience.

Every U.S.-built production car is eligible. None are arbitrarily barred, as in some runs. In 1961, 145 cars representing all 5 U.S. makers competed.

Rambler American Custom with overdrive beat them all to win the cherished Overall Winner Trophy and captured the Class 6 trophy in competition with Falcon, Corvair, Lark and Tempest 4. In fact, it took the first 6 places and 8 of the first 10.

And Ambassador V-8 by Rambler won its Class, swept the first 8 places and 9 of the first 10 spots.

With speeds up to 65, and averaging more than 40 M.P.H., the winning Rambler American made 14 complete stops, shifted through the gears 15 times while circling the 3.7 mile course, and still averaged 26.86 miles per gallon!

This is the second straight year Rambler won the Pure Oil Economy Trials.

Want more proof of Rambler value? Then see your Rambler dealer. You'll find top gas economy is just part of your savings. Rambler costs less to buy, is voted most trouble-free by owners, has top resale value.

Rambler dealers sell twice as many compact cars per dealer as most other dealer groups. So, you get a better deal... on the best of the compacts. Rambler—world standard of compact car excellence.

SEE YOUR RAMBLER DEALER—Drive the Recognized Economy King!

**FLAMELESS
ELECTRIC DRYING**

So Clean, So Safe, So Modern

TRY AN ELECTRIC DRYER IN YOUR HOME FOR 60 DAYS

MONEY-BACK GUARANTEE

The cleaner the heat, the sweeter your clothes come out. And there's no cleaner heat under the sun than the radiant heat in an electric dryer.

Electric dryers burn no fuel, create no dirt or fumes. Nothing but 100% clean, electrically-heated air ever mixes with your

clothes. There's no pilot to light or flicker out. No fuel pipe to get in the way. And electric dryers cost \$30 to \$50 less to buy.

Try a flameless electric dryer in your home for 60 days. Prove to yourself that there's no cleaner, fresher or faster way to dry clothes—or all your money back.

Open House For Antioch Library's 40th Anniversary

"For a richer, fuller life—READ."
That's the invitation of the Antioch Township Library, in announcing that the observance of National Library Week is coming up April 16 to 22.

Antioch residents are invited to visit the library, at 787 N. Main St., during a week-long open house in connection with the event, according to Mrs. Marian Harden, librarian.

Special displays will show some of the ingredients for a full and happy life, and samplings of the types of books that will help achieve them.

The library here is open from noon to 9 p.m. on weekdays and from 10 a.m. to 6 p.m. on Wednesdays and Saturdays.

At the regular meeting of the Antioch Township Library Board held Wednesday, March 29, the members of the board decided to hold open house at the library on Wednesday evening, April 19, at 7:00 p.m.

The occasion for a celebration is the fact that April 16 to April 22 is

National Library Week and also that 1961 is the fortieth anniversary of the founding of the public library in Antioch.

It was in 1921 that the Antioch Woman's Club appointed Mrs. William Ziegler, Mrs. Oliver Matthews, Mrs. William Watson, Mrs. John Brogan, Miss Leonora Hughes, and, at the request of these ladies—Miss Alice E. Smith, to form a committee to recruit the resources of the

Club and the community to form a public library. It is hoped that some of the members of this original library committee can be present at the open house.

The members of the library board and the library staff issue a cordial invitation to the residents of Antioch Township to attend the open house. Refreshments will be provided with which to toast the growth of our library in the past forty years.

THAT 17.3 stands for points per game average, and it looks mighty good to Antioch's Jerry Dahlman (right), who led the Brigham Young University freshman team in almost all departments this season. Head Basketball Coach Stan Watts likes the figure also and has his eye on Jerry for varsity material next year.

Former Sequoit Cage Great Leads Brigham Young Frosh

By Noel Duerden*

Special to The Antioch News

PROVO, UTAH — Antioch's Jerry Dahlman is "one of the finest shooters" ever to go on the basketball court at Brigham Young University. That covers a lot of fine players from All-American Roland Minson of BYU's 1951 NIT championship team, to this year's All-American Billy McGill of Utah.

BYU Coach Stan Watts and all the Cougar coaches feel he may be one of the keys to a return to national fame for the school.

Dahlman has his sights set on making not just the varsity next year, but the first team. He feels that his success during the freshman year has helped him to find his weaknesses and prove to the coaches that he definitely is varsity material. The blond Dahlman led this year's Kitten squad with a 17.4-points-per-game average, and he scored 191 total points while playing in 11 of the 14 games scheduled. He well might have ended as the leading point scorer had not a blood clot in a foot kept him out of action in the last three games.

The clot was caused when a Mesa Junior College (Colo.) player stepped on his foot. It also prevented his father, Sven Dahlman, 43 Grapevine, Antioch, from seeing Jerry in action. The senior Dahlman, who visited Utah three weeks ago, had to content himself with hearing praises of Jerry by members of the athletic department rather than seeing for himself.

Coach Watts is outspoken in his admiration for the shooting ability of the former Sequoit star and admits he will be watching Dahlman closely when varsity drills begin next fall. "He has a fine touch," Coach Watts says in looking at a season's high single-game scoring of 34 points against Utah State University. "But he needs work on defense," the coach laments. "It's no good to score three points if the other team scores four."

It doesn't come as any surprise to Dahlman that defense is a problem. He says that in Antioch High School days he developed a love of shooting and thus built up an array of shots in which he has become almost a master. Now he finds that good defense is a requirement of every top college player and plans to spend all summer at BYU working on this problem.

"He needs especially to develop his speed and his stopping and starting," Coach Watts says.

Dahlman plans to major in accounting while getting an academic education but feels he must first work out this tremendous love of basketball. With his natural ability and his determination, one gets the feeling he'll make it—in spite of the prospects of next year's Cougar varsity being overloaded with forwards.

College life has been good to Jerry. He has lost 20 pounds in the 4,500-foot altitude of the Wasatch Mountains, and is down to 175 lbs., which he feels is a good playing weight. It goes well with his 6'3½" frame. He still looks as thin as many Sequoit fans remember him at tournament time in 1960, and is apparently all muscle and desire.

Jerry almost didn't come to the Y, Brigham Young, a hot bed of basketball in the West. No one here knew about him, probably because he is not a member of the Mormon Church which supports the 10,000-student school. Also his grades in Antioch had not kept pace with his ability on the court — and weak grades are not a good calling card to any university.

But because of a curious and unusual set of circumstances, he was made known to the coaches.

Coach Watts says Dahlman's recruitment was highly unusual, perhaps more so than any in which he

Sequoit Track Squad Near Peak for Opener April 13

Antioch High trackmen stepped up activities this week in preparation for the conference opener April 13 against Elva-Vernon and Lake Forest at Lake Forest.

With promise of one of the strongest teams on record, Coach Emery Chandler's squad will receive strong competition from several other Northwest Suburban schools who report top-notch prospects in showings to date.

Wauconda High is looking forward to its best season in five years and Coach Tom Gallivan anticipates a strong squad with plenty of experience built around six returning lettermen.

Coach Bill Souza of Warren sees a few hurdles ahead as he builds his 1961 squad around 10 returning lettermen. Biggest problem facing the Blue Devils is lack of depth.

Conference coaches expect the Grayslake Rams to be a powerhouse with eight returning lettermen leading the way. Coach Bruce Samore of Grant, with a squad featuring plenty of depth and ability, is looking forward to a record season.

Meanwhile, Coaches Chandler and assistant Allen Knurr have been working Sequoit contenders long and hard.

Most encouraging events for Antioch shape up as the 880, mile and shuttle relay events. Strength is also seen in the dashes, hurdles and pole vault.

Of the 22 candidates out for varsity, five are lettermen and 14 are returning members of the 1960 squad.

Returning lettermen are Brian Elliott, low hurdles and high jump; Joe Gates, dashes and low

hurdles; Ken Truelson, dashes, hurdles and broad jump; Ron White, pole vault.

Other returning squadmen are: Ken Anderson, discus; Fred Andrews, 440, 880 and mile; Bob Barnstable, hurdles, pole vault; Jim Bennett, discus and shot; Dave Bonner, 440 and 880; Les Hribar, mile; Marty Guenfrey, dashes and hurdles; Lance Keisler, dashes and low hurdles; Jim Prossie, dashes, hurdles, shot and discus; Bob Weber, pole vault, hurdles.

Other squad members are: Dale Armstrong, high hurdles; Richard Beiser, 880 and mile; Steve Chandler, shot and discus; Chuck Holmes, 440 and 880; Rich Jungman, 880 and mile; Bob Krieger, shot, discus and high hurdles; Dan Olson, 440 and 880; Denny Pogose, high jump and high hurdles.

April Gymkhana for Sports Car Buffs

Sports car buffs will assemble Sunday in Waukegan for an April Daze Gymkhana to be held in the Lake Region Sports Car Club.

The Gymkhana will open with technical inspection at 12:30 p. m. with the starting time at 1:15 p. m.

The event for invited guests and club members, will be held at the north end of the Waukegan Shopping Plaza on Lewis Ave. The meet is designed to give drivers a chance to test road skills. Entry fees are 3 men's division; \$2 ladies' division.

Drag Racing Season Opens Sunday

The fifth season of drag racing will get under way this coming Sunday, April 9 at the Great Lakes Dragaway, Union Grove, Wis.

With more than the 70 various types of new drag racing machines built this past winter in the mid-west, drag racing fans from Wisconsin and Illinois will really have something to look forward to in 1961.

Dragsters of all descriptions, some with two engines, and some with aircraft engines, head the list of the new mechanical monsters that have been created in the various garages and speed shops during the long winter months.

CONTROL — That's what it took for Myrtle Sampayo to bowl a perfect spare game - 10 spares, with the last being a strike - to garner a \$100 U.S. Savings Bond from Air-Flow Bowling Apparel Co., donors. The contest is limited to bowlers with averages of 160 or less. For her winner, Mrs. Sampayo, member of Joe and Helen's Restaurant team, Loon Lake bowled 180. Shown making the presentation is Stan Toton, Klass Men's Store, a dealer for the apparel firm.

Sequoits Down 9-6 In Season Diamond Opener

The Antioch High School baseball team got off to an encouraging but inauspicious start Tuesday at Zion by bowing to Zion-Benton 9-6 in the season's opener.

The Sequoits open conference play Friday at Lake Forest.

The locals staggered through a muddled first inning during which Zion sent seven men across, and then settled down to near mid-season form in allowing opponents but two more runs in the remaining five innings.

And what Coach Larry Leon saw of his Sequoits, he liked, and predicted a pretty fair season for his young, inexperienced club.

Antioch went through its first half of the opening inning scoreless, and then reeled under the seven-run splurge by Zion garnered via six hits, two errors and mental lapses by the visitors.

The Sequoits roared back in the second with five runs and from then on it was an interesting set-to.

Although starting pitcher Bill Ozga was credited with the loss, he put on a good performance on the mound. Also working well were the other three Sequoit pitchers who saw action—Deryl Denman, Joe Wolf and John Hedberg.

Joe Pleviak at short led Antioch with two hits, including one double. Singles were registered by Chuck Maxwell, Bill Ozga, Ron Gable, Dick Porter and Joe Wolf.

All 18 squad members were in the line-up. Starting line-up for Antioch was: Pleviak (ss), Ennis (2b), Thompson (c), Maxwell (1f), Ozga (p), Dewar (3b), Gable (cf), Horn (rf), Lang (1b).

Students Prepare Unit On Communism, Doctrine

The social science department of Grant Community High School is preparing a special unit on communism which will be presented next week. The unit covers the rise and spread of communism and a survey of communistic doctrine.

Interested individuals of the community and the local American Legion Post have contributed funds for special reference materials to assist students in research on the subject.

The unit will conclude the evening of April 14, with three service members from Great Lakes Naval Training Station conducting the final session.

The evening meeting is open to the public.

Qualifies for Forensic Competition at Madison

Charlotte Fowler, sophomore at Salem Central will compete in the forensics competition April 15 at Madison. Miss Fowler moved forward in forensics by winning an A rating at last week's meeting at Whitewater, Wis.

She competed in the 10-minute non-original oration and delivered "The Politicians and Politics."

Other members of the contest receiving ratings were: B's - Bruce Benedict and George Whittle, extemporaneous and Rodney Raether and Barbara Epping.

Mrs. Ethel Runyard of Channel Lake and Mrs. Josephine Gaston of Hwy. 59 were guests of Dr. Margaret M. Jones at the British Home, Brookfield, Ill., on Wednesday, March 29.

News of Wilmot

By Mrs. Herman Frank
WILMOT, Wis. — Wilmot Homemakers met Monday evening at the home of Mrs. George Pearson. The meeting was opened with the Homemakers creed. Mrs. Roger Sherman conducted the program concerned with organization of extension service and program planning. There was a discussion on a trip to the Avon factory, May 4. The next meeting will be held April 17, 7:30 p.m., at the home of Mrs. Harvey Brown.

Those attending the meeting were: Roger Sherman, Frank Breuninger, Dan Fleming, Laura Winn, Herman Frank, Edward Las, Harvey Brown, Archie Bausch, Sophie Jones, George Schultz and Lawrence Kempken.
